

OPERATOR PACKAGE

THE PEAK LEADS SYSTEM

The ad bank, the media buying system, and the conversion assets we use to generate home service leads on Meta.

TIER 1

The Vault

TIER 2

Creative Engine

TIER 3

Hands-On Buildout

THE OFFER

THREE TIERS

Years worth of earned secrets that aren't available anywhere else. Everything in here was painstakingly learned through hundreds of tests and millions of dollars of ad spend over the course of years.

TIER 1

THE VAULT

Everything you need to run it yourself.

AD BANK	Hundreds of creatives we have run in market, with the proven performers flagged.
META STRATEGY	Our budget and pacing method, including how to run multiple budgets across multiple areas.
SETUP & RUN SOP	Step by step build in Meta, plus what to check daily, weekly, and monthly.
LEAD HYGIENE	Filter out-of-area leads and catch duplicates before they cost you.
CONVERSION	The qualifying questions that screen a lead, and the landing page structure behind them.

TIER 2

CREATIVE ENGINE

How to keep leads coming after the bank runs its course.

AD CREATION VIDEOS	Our team building ads start to finish: research, hook, script, assembly.
TOOLS	The websites and tools we use to research, source, and build creative.
ITERATION SOP	What to change when performance drops, how to read fatigue early, and how to turn one winner into many.

TIER 3

HANDS-ON BUILDOUT

We get you live, then stay on it for a month.

FIRST 30 DAYS	Support through your first month of live spend, with a set number of calls with our team.
CUSTOM LANDING PAGE	Built and branded for you, with leads wired into your CRM. We help you connect it.
